

COVE CAY GOLF CLUB

Come join LPGA Girls Golf at Cove Cay!

Come learn the basics of golf! Learn golf in a fun way with a variety of different activities and games. Bring your own clubs or clubs provided for the day if needed. No prior golf experience required. Ages 6-17.

We inspire girls to dream BIG and empower them through the game of golf!

Golf is a sport girls can play for life, and LPGA-USGA Girls Golf is the program that will help them fall in love with the game! We offer fun “girl-friendly” programming which introduces girls to the game and helps take them from beginner to advanced golfers.

We teach girls **more than** the game of **golf**, we **inspire them** for the game of **life**.

EMPOWER * ENRICH * ENGAGE * ENERGIZE * EXERCISE
